Acme Paper and Supply Company engaged the services of Distribution Consultants to supervise the entire redesign of our warehouse. The project included defining our needs, specifying materials, managing the bidding process, and supervising the implementation of the plan.

We found Don Downs and Steve Ware to be extremely knowledgeable, competent, and easy to work with. As a result, we have been able to increase the storage capacity of our warehouse considerably and we have also been able to recognize significant labor savings.

I heartily recommend Distribution Consultants Inc. to anyone who is in need of designing or reconfiguring their warehouse. Please feel free to reach out to me if you have any questions.

Sincerely,

ACME PAPER & SUPPLY CO., INC.
